

BLACK BOX

A BESPOKE EVENT SPACE

BLACK BOX

The Black Box event space at the Cachet Boutique Hotel is Manhattan's newest premier event space. The Black Box has hosted multiple concerts, events, banquets and fashion shows.

Since opening in September 2018, the Black Box has had events & concerts for Robin Thicke, T.I., Fan Duel's National Fantasy Football Championships, fashion designer Jeremy Scott, and Pioneer Pro Audio to name a few. Several of the events had over 1,500 in attendance.

Located North of Hudson Yards, Javits Center, Times Square, and Chelsea, the Black Box offers flexible event, performance and concert space to suit a myriad of private and public events types.

The Black Box is centrally located in Midtown Manhattan and accessible to all major subway and train lines. It consists of a large event space that has tall 13 ft ceilings, two bars and a sunken dance floor. The venue also features a large stage that can be used for public performances or as a spot to stage a DJ or band for a social event. Other features include a "Green Room", state of the art lighting and award-winning audio/visual system.

Multiple event types can be created within the Black Box which can accommodate seated dinners for 300+ people to full scale performances and shows including but not limited to:

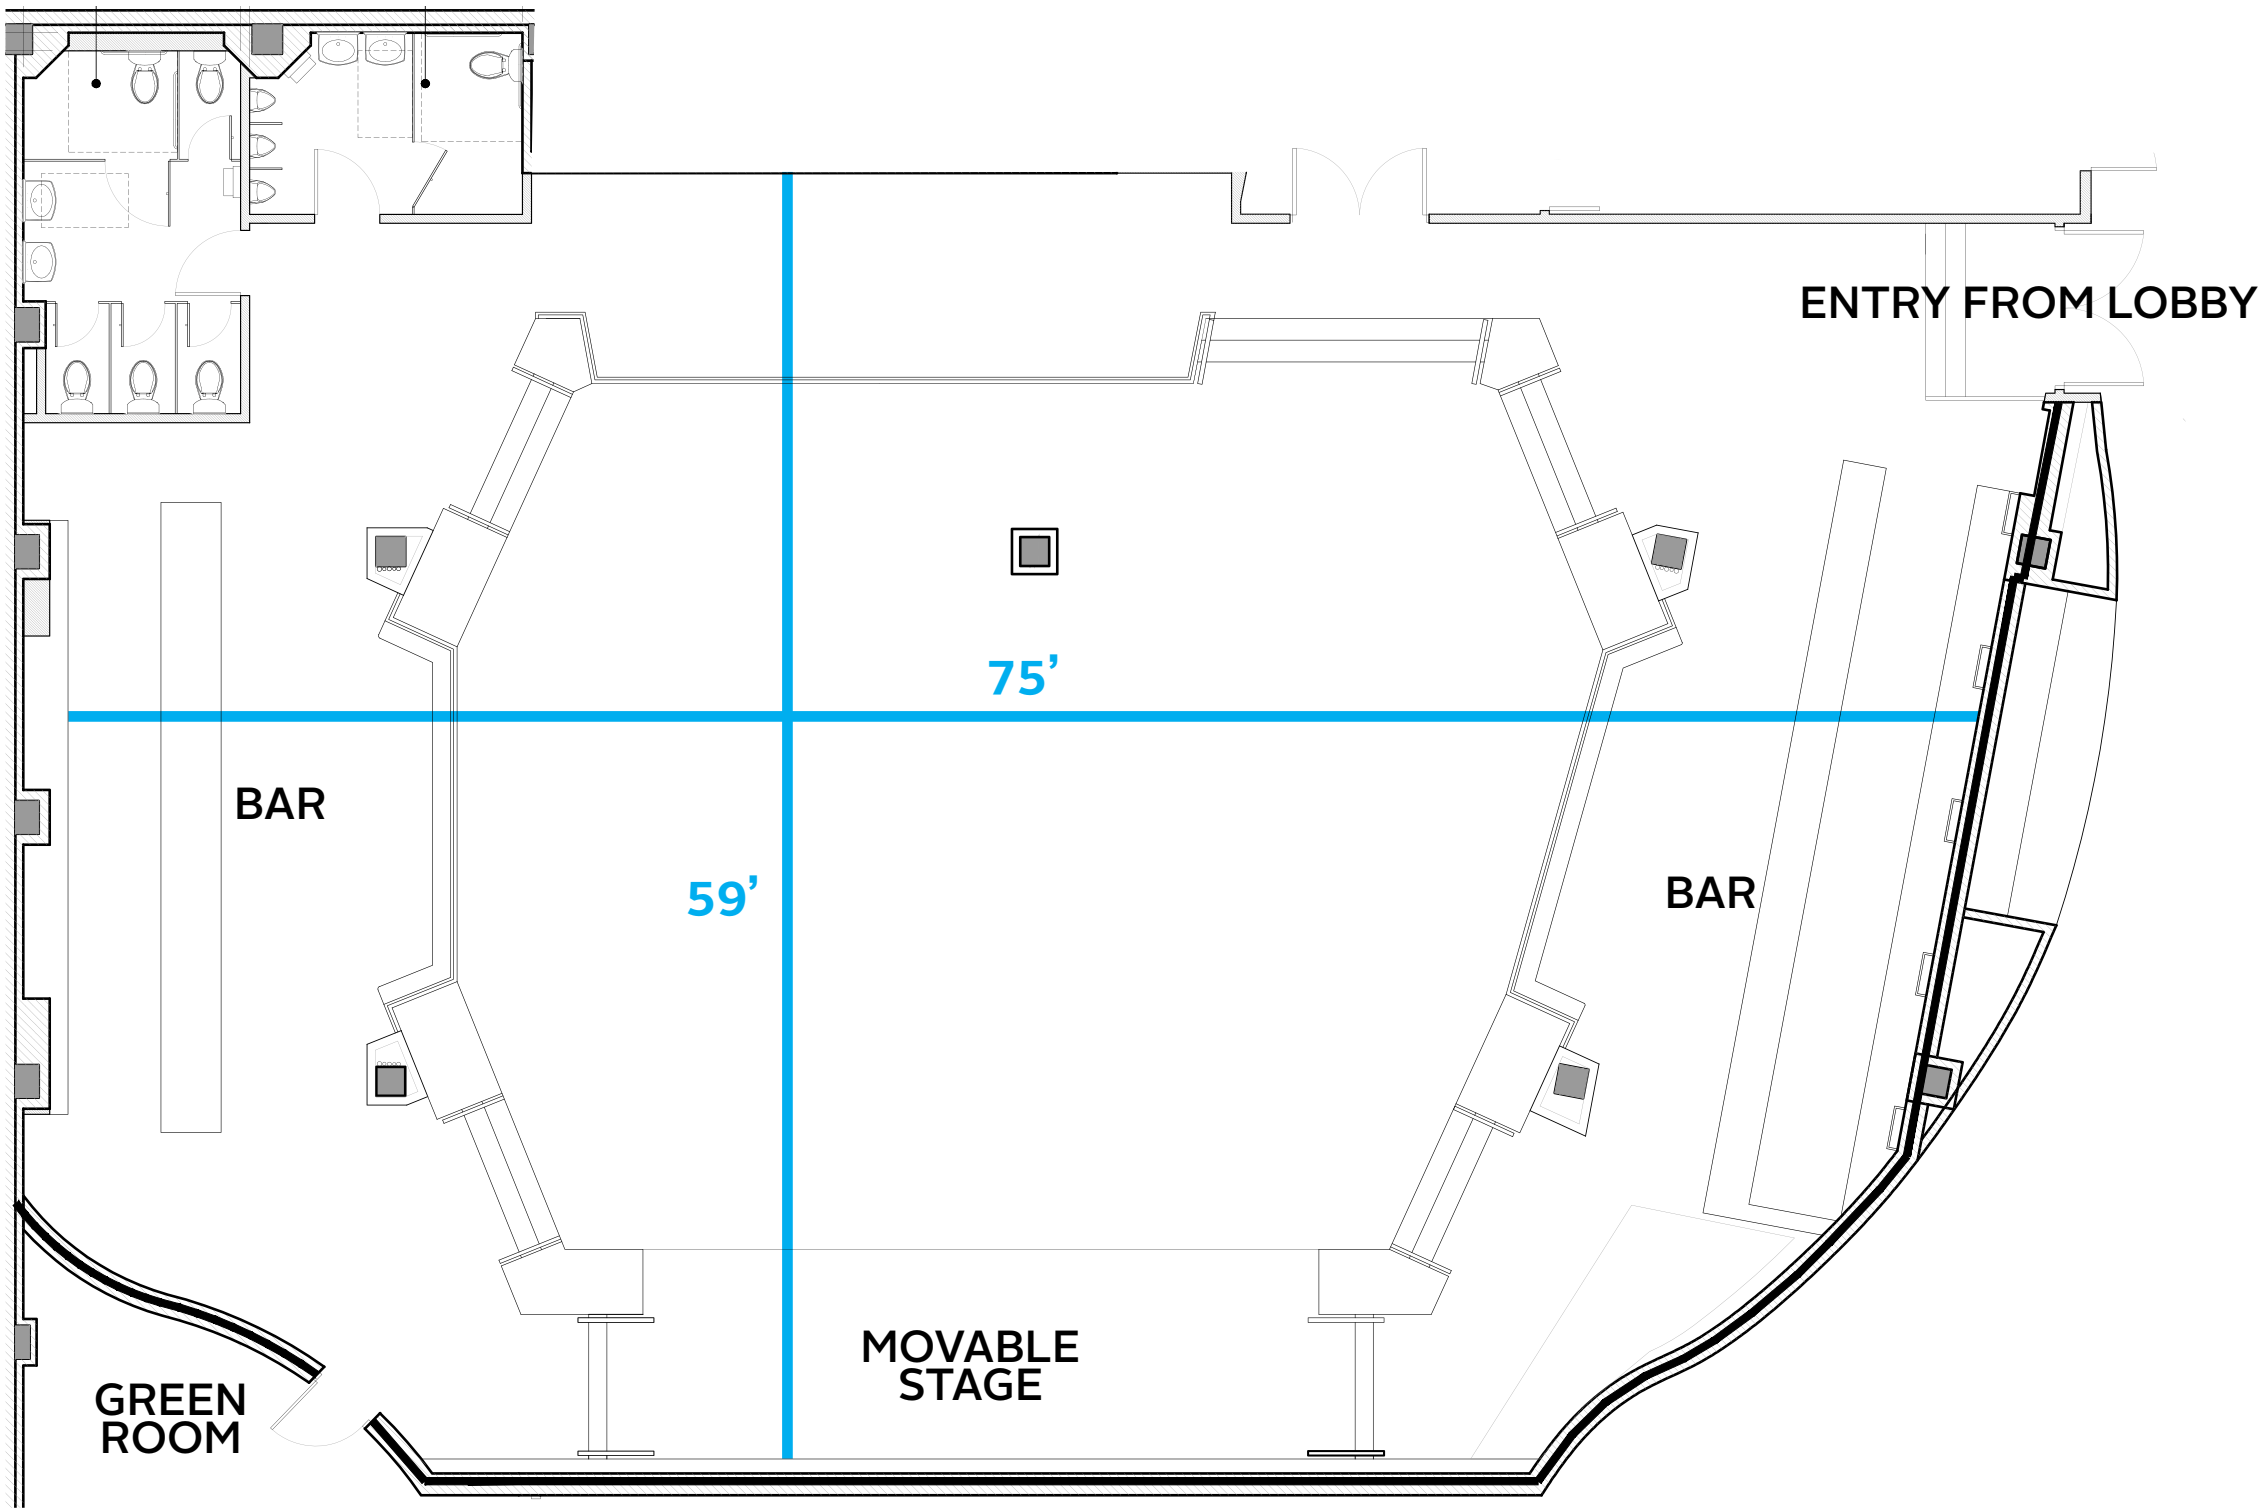

- Broadway & Movie Premieres
