

GoldBar is a 2,500 square foot, multi-use venue located in the NoLita section of Manhattan. Featuring 12 foot, gold-leaf vaulted ceilings, crystal chandeliers and custom lighting, GoldBar is New York's most luxurious venue.

The floor plan may be customized to suit the needs of a variety of events including cocktail receptions, charitable functions, seated dining, live performances, fashion shows, film and photo shoots, screenings and more. Versatile and functional, GoldBar is the perfect venue for the most discerning clientele.

Other features include: Award-winning artisanal cocktails | Full-service kitchen capable of accommodating a multitude of food options | State of the art sound, light, audio systems, internet and multimedia capabilities | Gift bag storage | Oversized entry to accommodate indoor/outdoor red carpets and step and repeats | located near several of Manhattans most desirable neighborhoods, GoldBar is accessible by all forms of transportation.
