CELEBRATE YOUR NEXT SPECIAL EVENT AT RAINES

Raines at the William is conveniently located steps away from Bryant Park, Grand Central and Times Square. Tucked away inside The William Hotel (a beautiful historic townhouse that used to be The William's club in 1924) are our exquisite private cocktail parlors and dining rooms. It is the perfect backdrop for the Raines Law Room experience. Private rooms can be rented individually or combined to make an unique experience for your guests as they flow from room to room.

We look forward to hosting you and your guests, cocktails in hand.

Yours Sincerely,

Raines

HISTORY

Among other provisions, it prohibited the sale of alcoholic beverages on Sunday-except in hotels. Most men worked a six day week, and Sunday was the only full day for drinking at saloons. Under the law, however, hotels were allowed to serve liquor on Sunday, to guests only, provided it was during a meal, or in the bedrooms of the hotel. State statutes allowed that any businesses was considered a hotel if it had 10 rooms for lodging and served food with its liquor. Saloons quickly found a loophole by adding small furnished bedrooms and applying for a hotel license. Dozens of "RAINES LAW HOTELS," often located directly above saloons, opened.

As a contemporary source put it, "This offered a premium on the transformation of saloons into hotels with bedrooms and led to unlooked-for evils," i.e. an increase in prostitution, as the rooms in many "RAINES LAW HOTELS" were used mostly by prostitutes and unmarried couples.

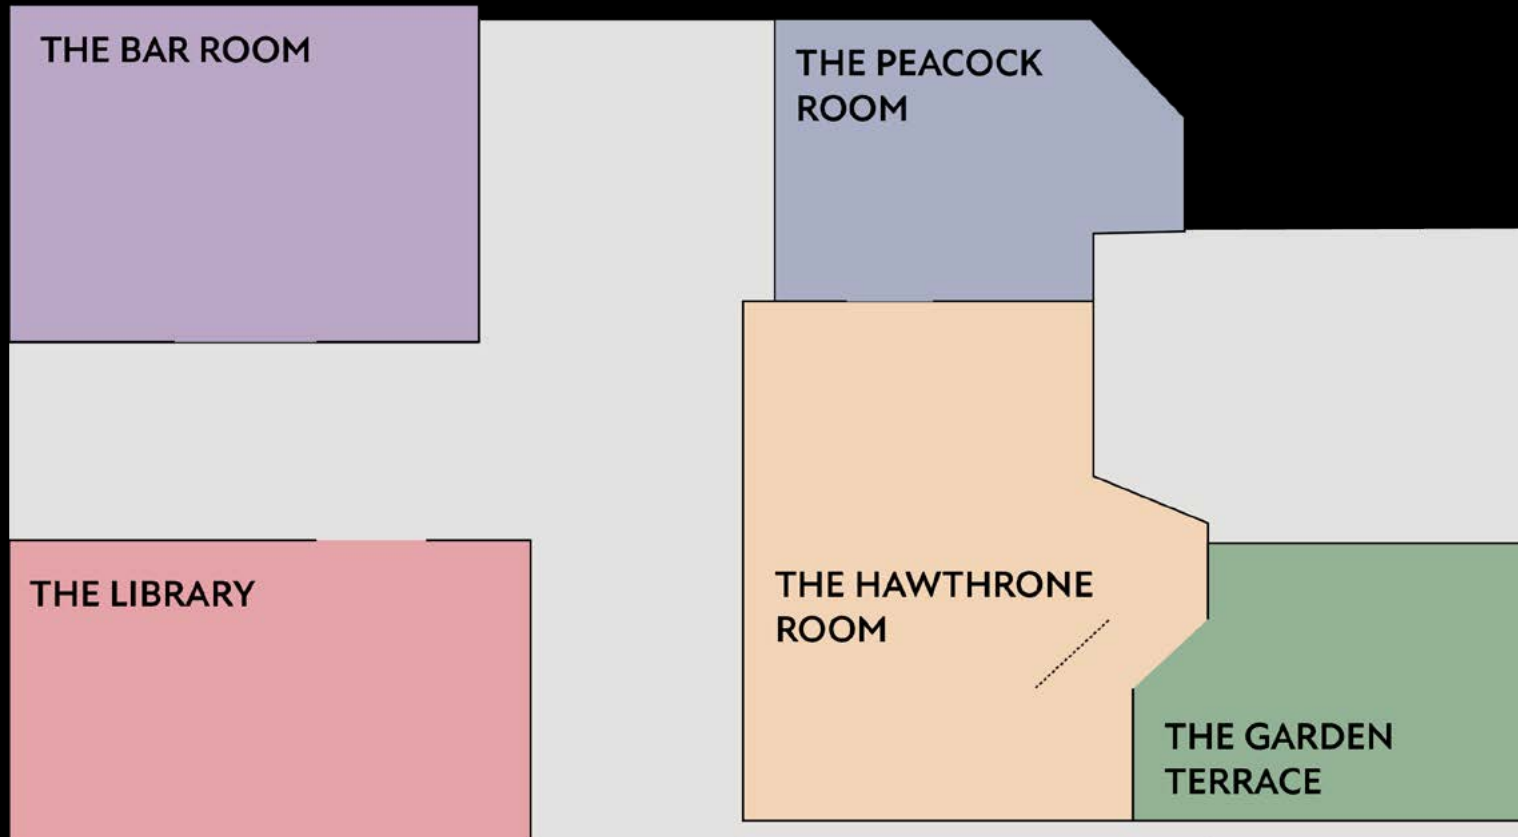

THE RAINES LAW WAS PASSED ON MARCH 23, 1896, BY THE NEW YORK STATE LEGISLATURE. IT WAS NOMINALLY A LIQUOR TAX, BUT ITS INTENTION WAS TO CURB THE CONSUMPTION OF ALCOHOL BY IMPOSING REGULATIONS.
